Private Investigator Phoenix Our private investigators will work diligently to uncover the truth, and will ensure that you are kept well informed on the progress of the investigation. We document our independent investigations by various methods - recorded statements, photographs, video, measurements, evidence collection and written reports. Should the need arise, our private investigators are available for depositions and court appearances. We are available 24 hours a day. Please contact us anytime for a FREE initial consultation. We offer reasonable rates and no hidden charges.

Arizona Private Detectives Our team of licensed male and female private detectives are skilled and experienced in gathering the facts and evidence necessary for a successful outcome. Some of the cases we typically handle include:

- Cheating Spouse, Infidelity & Adultery
- Divorce, Child Custody, & Child Support Issues
- Background Investigations
- Locating Addresses, Place of Employment, Bank Accounts & Assets
- Employee Theft & Misconduct
- Surveillance & GPS Tracking
- Fire & Arson Investigations

Should you require a fire expert, our certified fire investigator has the knowledge, skill and expertise to investigate all fire and explosion loss incidents including:

- Accidental
- Arson
- Fire Deaths
- Motorized Vehicles
- Appliances
- Product Liability

Attorney Support Services We can assist your law firm on cases in the following practice areas:

- Family Law
- Criminal Defense
- Personal Injury
- Product Liability
- Fire & Arson Investigation
- Insurance Claims and Fraud

We assist insurance companies during the investigation of a claim by documenting the loss and identifying any potential fraudulent activity.

- Origin & Cause Fire Investigations
- Bodily Injury
- AOE/COE
- Workers' Compensation
